

INTERNATIONAL SEMINAR

#Master
School

Faculty of Health and Well-being
29th September 2020

Webinar

TUAS Master School welcomes teachers and students alike to join an international seminar focusing on Master level studies in Health and Well-being. Due to the uncertainties regarding COVID-19 situation in autumn 2020, we have decided to organize this event as a webinar.

We invite educators and master students from our partner universities to come and join the seminar by providing a short lecture of 15-30 minutes to students and colleagues. The students participating the seminar will be Master level students, who are studying Advanced Practice, Health Care Technology, Health Promotion, Management and Leadership in Social and Health Care, Rehabilitation and Social Services.

Preliminary seminar program

- **Tue 29 Sept:** Opening and Keynote speech and lectures for Master students (parallel streams), possibility for online workshops.

Practical information

- There is no participation fee in the event
- We will provide a certificate of participation for our guest lecturers and students
- Please send a short abstract for the lectures by **30 August 2020** via email to Virpi Sulosaari, virpi.sulosaari@turkuamk.fi
- Please register by **30 June 2020** and find more info on practical matters from our website: www.tuas.fi/internationalweek

Hoping to see you (online) in September!
